

COX AFFAIR CITY EVENT; HARDING'S GIVES TOWN IDEA

David Lawrence Sees Reversal of Party Campaign Styles in Contrast Between Two Ceremonies.

BY DAVID LAWRENCE.
(Special Correspondent of The News Scimitar.)

DAVID LAWRENCE, who is a member of the Cox and Harding campaign, has an idea as to why the two candidates have been so successful. He says that the reason is that they have been able to present a different type of campaign. The Harding campaign was a campaign of the past, while the Cox campaign is a campaign of the future.

The Harding campaign was a campaign of the past, while the Cox campaign is a campaign of the future. The Harding campaign was a campaign of the past, while the Cox campaign is a campaign of the future. The Harding campaign was a campaign of the past, while the Cox campaign is a campaign of the future.

Really, leaving the party label aside, the notification ceremony was so big and well organized that they reminded one of Republican functions of the past. The Cox campaign was a campaign of the future, while the Harding campaign was a campaign of the past.

delightful surprise to find it ready on time as promised, and to have the salesman brightly say, "Satisfaction Guaranteed."

Satisfaction Guaranteed is the keynote which underlies Zellner's goods and service. Nowhere is it more difficult to give than in Footwear, for the purchaser rarely can tell whether a new Shoe properly fits, and this must be left to the judgment of the salesman.

Zellner's salesmen are all expert fitters, held responsible for correct fit, and required to miss the sale rather than misfit the customer.

It is because of these things that Zellner's is the recognized criterion for Faultless Footwear. Zellner's pays a war tax on Shoes greater than any other dealer in Tennessee. Which, being interpreted, means that Zellner's sells the greatest number of high-grade Shoes. And yet, since the policy was changed, we have taken the lead as well as in medium and low priced Shoes.

It's Toasted

GENUINE LUCKY STRIKE "IT'S TOASTED" ROLL CUT TOBACCO FOR PIPE OR CIGARETTE

"It's toasted." Do you know why?

LUCKY STRIKE tobacco is toasted to improve and preserve the Burley flavor. As in the famous Lucky Strike cigarette, this toasted flavor is delicious!

You see, when Lucky Strike is toasted the heat closes the pores in the Burley leaves. So this improved flavor stays there for months—years—until released by being lighted in your pipe.

You know the method of the bee with the honey-comb. The flavor is always there—inside. This is because the bee puts a thin coating of wax over the honey and seals it in so it lasts forever.

Exactly the same idea with Lucky Strike. The flavor is there—sealed in. Just buy a tin—you will enjoy the delicious toasted flavor.

Guaranteed by The American Tobacco Co.

—which means that if you don't like LUCKY STRIKE pipe tobacco you can get your money back from the dealer.
